### Online Platform – Médio Tejo’s Events Agenda

#### 1 – Introduction

The ‘Comunidade Intermunicipal do Médio Tejo’ (CIMT) presents the MT Events Agenda “What’s up?”, an online platform that intends to offer a new view on the cultural and sporting activities happening in the Médio Tejo region. Information on exhibitions, theatre, music, films, dance, sports, books, events, among others, is now available in one single and up-to-date website, where in a second phase it will also be possible to find information on the region’s tourist attractions.

Born of a CIMT’s project, the MT Events Agenda is the result of a partnership with the ‘Instituto Politécnico de Tomar’. It aims to be the main source of information on cultural and sporting events in the Médio Tejo territory. Organisations which promote events are intended to be partners in the update of the MT Events Agenda.

The objective is to transform the MT Events Agenda into a chief information and promotion channel of cultural and sporting events, not only in Médio Tejo, but also in the country, so it becomes an added value for the enhancement of the initiatives happening in the region.

The platform will consistently offer a more efficient service, as the number of cultural and sporting agents providing information on their activities increases. Therefore, they will also contribute to the promotion and communication of the Médio Tejo’s events calendar.

#### 2 – Access: to be a partner

**Founding partners:** Comunidade Intermunicipal do Médio Tejo (CIMT); municipal councils of the Médio Tejo region; IPT – Instituto Politécnico de Tomar; ADIRN – Associação para o Desenvolvimento Integrado do Ribatejo Norte; TAGUS – Associação para o Desenvolvimento Integrado do Ribatejo Interior; PINHAL MAIOR – Associação de Desenvolvimento do Pinhal Interior Sul; and NERSANT – Associação Empresarial da Região de Santarém.

Each partner will be entitled to a space for a highlight, which is one event considered to be of greater relevance.
